Interior – Harness Colours

The MSO Defined Dark Titanium Harness Bar and MSO 6-Point Harness are available together as a standalone option, or as part of the MSO Clubsport Pro Pack - see page 132.

They are only available with Racing (adjustable passenger seat) or Superlight Racing Seats (both fixed and adjustable passenger seat).

The MSO 6-Point Harness is offered in a choice of four colours. Whilst the harnesses are a cost option, the colour choices are all non-cost options.

Please note that the red 3-point seatbelts are not colour-matched to the red 6-point racing harnesses.

The MSO Defined 6-Point Harness should not be used on the road and must have the following caveat when referenced in any external doc: "6-Point Harness is for track use only. All images are for illustration purposes only."

Interior – Sill Options

With the standard interior the sill trim is finished in Carbon Black carpet. When a By McLaren themed interior is selected, this changes the sill to a Carbon Black Alcantara® or leather finish depending on the type of By McLaren interior themed selected.

There are two further optional sill finishers available for all interior trim levels. These are:

- Sill Trim - Satin Finish Visual Carbon Fibre
- MSO Defined LT Satin Finish Visual Carbon Fibre Extended Sill Trim with LT Branding

Standard Sill Finish
